

CURRICULUM VITAE

Guy SIDOS

Chairman and CEO

Guy Sidos, born in France on September 13, 1963, is married to Sophie Merceron-Vicat and father of five children.

In 1984 he graduated from the French Naval Academy as an engineer and became a Navy officer. In 1999, after commanding nuclear fast attack submarine “PERLE”, he left active service and joined the VICAT Group as plant engineer.

In 2001 he was appointed manager of the Ragland, Alabama cement plant in the United States. In 2002 he was designated CEO of National Cement, the parent company of VICAT’s American businesses. In 2004 he came back to France as COO of the VICAT Group, becoming CEO in 2008.

He was appointed Chairman and CEO on May 6, 2014.
