ABOUT VICAT

For almost 200 years, Vicat has been a leading player in the mineral and biosourced building materials industry. Vicat is a group listed on the Euronext Paris market and is under the majority control of the founding Merceron-Vicat family. Committed to a trajectory that will make it carbon-neutral across its value chain by 2050, the Vicat Group now operates three core lines of business: Cement, Ready-Mixed Concrete and Aggregates, as well as related activities. The Vicat Group is present in 12 countries spanning both developed and emerging markets. It has 9,900 employees and generated consolidated sales of €3,642 million in 2022. With its strong regional positions, Vicat is developing a circular economy model beneficial for all and consistently innovating to reduce the construction industry's environmental impact.
