About Vicat

For 170 years, Vicat has been a leading player in the mineral and biosourced building materials industry. Vicat is a group listed on the Euronext Paris market, part of the SBF 120 Index, and is under the majority control of its founding family. With the ambition of achieving carbon neutrality in its value chain by 2050, the Vicat Group now operates three core lines of business: Cement, Ready-Mixed Concrete and Aggregates, as well as related activities. Present in 12 developed and emerging countries, the Group employs more than 10,000 people and has generated consolidated sales of €3,854 million in 2025. With its strong regional positions, Vicat is developing a circular economy model beneficial for all and consistently innovating to reduce the construction industry’s environmental impact.
